

GET READY FOR YOUR FUTURE -- COLLEGE IS COMING!

Attention all PROPEL SCHOOLS 8th grade students and families:
The University of Pittsburgh has a wonderful opportunity for you!

*Pitt's INVESTING NOW is a **college preparatory** program created to stimulate, support, and recognize the high academic performance of pre-college students from groups that are historically underrepresented in science, technology, engineering and mathematics majors and careers. The program is now recruiting new members. If you would like to learn more, please attend the upcoming informational session.*

<http://www.engineering.pitt.edu/investingnow/>

***The “Investing Now” Team will hold an Information Session
for all Propel 8th grade students and families***

Propel Braddock Hills High School

Tuesday February 28th

6:00 PM to 7:00 PM

Please RSVP to Kristen Golomb at kgolomb@propelschools.org
